### Card At Gilmore

Gilmore stadium's 1947 midget car racing season slides into the home stretch Tuesday night with the staging of a complete program held over from last week. Unexpected September rains left the track in such a condition that officials were forced to make a last-minute postponement. It was only the fifth cancellation in 11 years of 349 race meets at the speedway.

Ten race meets now remain on the 1947 Gilmore Thursday night program including the Eleventh Grand Prix Thanksgiving night, the one big midget car event of the year, and the race that AAA drivers and car owners have been preparing for all season. Distance of the race, number of starters and qualifying will be announced shortly following a meeting of Gordon Betz and Babe Stapp, AAA officials, and Dave Koetzie, Gilmore race director.

**PALISADE GLACIER**  
Palisade Glacier, Inyo County, is the largest glacier in the Sierra Nevada and the most southerly in the United States. This comparatively solid mass of ice is about three miles long, one mile wide and hundreds of feet deep. Visitors reach this relic of the ice age by a hard seven-mile hike from Glacier Lodge near Big Pine.

**ALONDRA LAKE TAKES FORM**... Here is the first picture of Alondra Lake, new body of water developed at Alondra Park, North Torrance, by the County of Los Angeles. The lake will add considerable beauty to the vast undeveloped county-owned "park" land. El Camino college campus will be located just east of the lake. Planting of the area adjoining the new lake will start immediately, according to Chairman Raymond V. Darby, of the Board of Supervisors.

### Wilmington City Championship Game To Be Played Here

With the series tied up at one all, the Wilmington Merchants will meet the Wilmington Athletics at Torrance City Park tonight in the third and deciding game to determine the softball championship of that city.

The game will start at 8 p. m. Each team has beaten the other one and tonight's battle to name the champs of Wilmington promises to be a good one.

### Senior Class Picks Leaders

Members of the mid-term Torrance high school senior class met Monday and elected the officers for their last semester in high school. Gene Stirling won the leadership position of president; Jack Turner was elected as vice president and Oliver Stepp as secretary-treasurer. Herbert E. Irwin, head of the social studies department, will serve as class adviser.

Senior B students will organize Wednesday of this week and the sophomores and juniors will organize next Monday.

Clara Barton, first president of the American Red Cross society, held that position from 1881 to 1904.

### Health Plan Picnic Slated

The Torrance Health Plan, an expansion of the Columbia Employees Hospital plan which has been operating for seven years, will stage its first annual picnic in Montebello stadium on Oct. 28, according to announcement by John Hanks, secretary of the plan and picnic chairman. Hanks is being assisted by Roy Jenkins, a member of the plan's board of directors.

The affair will be marked by wrestling and boxing matches, two baseball games, races and other events, and will be for the benefit of the Torrance Health Plan. Tickets are on sale with local merchants and doctors, Hanks said.

**NOTICE OF PUBLIC HEARING**  
NOTICE IS HEREBY GIVEN, that a public hearing will be held before the Planning Commission of the City of Torrance, in the Council Chambers, City Hall, at 8:00 o'clock P. M. on Tuesday, October 7th, 1947, to consider the following matters:

**CASE NO. 93:** Second hearing on the petition of John E. Kettler for a change of zone, designating all of Tract No. 14016, bounded on the north by Sepulveda Boulevard, on the south by Tract Nos. 10651 and 845; on the east, by Cabrillo Avenue, and on the west by Narbonne Avenue, reclassifying this property from an A-1 (Light Agricultural) Zone, to a C-1 (Single Family Residential) Zone; excepting Lot 9, in Block 1, Tract 14016, which it is desired to change to a C-1 (Retail Commercial) Zone.

**CASE NO. 94:** Second hearing on the petition of James E. Stinson, for a change of zone covering the property bounded on the east by Hickory Avenue; on the south by Sonoma Street; on the north by Maple Avenue; and on the north by Eldorado Street, described as Lot 2 of Tract No. 49782, an E-1 (Single Family Residential) Zone to an E-3 (Multiple-Family Residential) Zone, to permit the construction of approximately 175 rental units thereon.

**CASE NO. 97:** Petition of Otto J. Batsch for a variance from Land Use Ordinance No. 318, to permit the construction of a steel canopy and wash rack in connection with the existing service station at 2319 Arlington Avenue. This property is located in an E-3 (Multiple-Family Residential) Zone, which requires a variance for any additional existing structures.

**CASE NO. 98:** Petition of Charles T. Rippey for a change of zone, affecting Lots 1, 2, 3, and the North 119.5 ft. of Lots 60 and 61, all in Tract No. 83, situated on the west side of Narbonne Avenue, and extending from Sepulveda Blvd. to a point 119.5 ft. south of 220th Street, and extending westerly from Narbonne Avenue to the westerly line of Lot 1, 23 and 60, of said Tract No. 83; reclassifying said property from an A-1 (Light Agricultural) Zone to a C-1 (Retail Commercial) Zone; excepting therefrom the northern corner of Lot 1, 23 and 60, which is already zoned C-1.

All persons interested in the above petitions are requested to be present at this hearing, or to submit their written approval or disapproval to the City Engineer's office, City Hall, Torrance.
